SystemRoMedic Hygiene Sling

Paul Meakin, Moving & Handling Advisor, Dudley Metropolitan Borough Council

The System RoMedic Hygiene Sling is easy to apply to individuals, making it easier for caregivers to dress/ undress the user when toileting. The Hygiene Sling is ideal for individuals with adequate muscular tonus, has a SWL of 300kg and is available in sizes from XXS to XXL ensuring it is suitable for a wide patient group. The slightly reclined seated posture enables efficient toileting. The HygieneHBSling is ideal for individuals who require additional support, including the head.
